

APPLEWOOD HOCKEY ASSOCIATION

August 2023

Dear Business Owner:

The 2023/24 Hockey Season is fast approaching and we are looking forward to some exciting programming at Applewood Hockey. We work with a number of local businesses who support youth hockey, is that something your organisation could do?

Applewood Hockey Association has been organizing hockey for boys and girls aged 4 to 19 since 1988. We are one of the six associations that make up the Mississauga Hockey League. Our home arena is Chic Murray at the Burnhamthorpe Community Centre.

Applewood Hockey Association is a Not-for-Profit organization run entirely by volunteers, who help over 500 boys and girls each year with an opportunity to develop life skills while participating in organized hockey. The goal of our organization is to develop community spirit, encourage sportsmanship, and good fellowship amongst all of the participants, but above all - to **have fun!** Our programs start with TimBits Learn to Skate and progress to House League games and Rep level for those looking for a greater challenge.

We also run a First Shift program, part of a nationwide initiative to help kids fall in love with hockey. Boys and girls are professionally fitted with full kit from head to toe by Bauer, have 6 on ice sessions in a 4:1 ratio with qualified instructors, all for \$299.

The goal of the Applewood Hockey Association Sponsorship Program is to increase the accessibility of minor hockey for its participants. Your sponsorship dollars help us subsidize the high costs associated with minor hockey (*e.g. our pre-season training clinics which are open to all players, goalie equipment loan program*) which are increasingly becoming prohibitive.

Applewood Hockey offers several options for sponsorship, from Team Sponsors to Association Sponsors, we have options to fit your budget.

Thank you for considering Applewood Hockey Association and we look forward to having you as part of our Sponsorship Program.

If you have any questions, please do not hesitate to contact Andrew.

Regards,

Andrew Perry
